

# Young Adult Leadership Development & Community Coach Development Program

## What is Max Potential?

The Max Potential project offers 22 weeks of personal leadership development, including coaching, to young leaders from schools and the community to help them maximise their potential during the final years at school and beyond. It also encourages students to focus on the local community and ways that they can work to improve it.

Max Potential draws on leaders within the community, business, industry, schools and churches, as coaches, equipping them with progressive coaching skills and tools that apply across personal, life and employment contexts.

Successful community coach applicants will be given training in a life-coaching model which explores ten personal leadership principles and the opportunity to use these in practice with young leaders from schools. They will be supported by their own Future Achievement Australia coach, being coached themselves throughout their involvement.

The ten personal leadership principles include –

1. Make Things Happen
2. Achieve Personal Significance
3. X-Out the Negatives
4. Internalise Right Principles
5. March to a Mission
6. Integrate All of Life
7. Set Your Focus on Caring for People
8. Energise Internally
9. Realign Rigorously
10. Stay the Course

## How much does it cost?

The cost of providing these services is approximately \$400 + GST per young leader and \$1,800 + GST per coach. This will be funded by **Gosford RSL Club** through a limited number of scholarships offered in 2012 as well as local employer contributions for their staff to be trained as coaches or their apprentices paid for as part of their personal development.

## What's in it for young adults?

As a 16 - 23 year old participant you will benefit from developing –

- ✓ An action plan that focuses you on leader opportunities,
- ✓ Leader savvy that you can continue to build,
- ✓ A success pattern that can be repeated throughout life,
- ✓ Focus, energy, spirit and connections

## Finding time??

Max Potential involves only a minimum of 28 hours over 22 weeks and will also complement current school, employment or community commitments.
