# LETTER TO THE EDITOR

## Applause for youth

**Editor,**  
 We hear a lot about the youth of Singleton, mainly when it is a "bad" news story. Well this is one that is a great news story.  
 On Sunday evening, Elliot Doherty, presented the Singleton Improv Evening. He organised the entire evening with the help of his Max Potential coach, Gerard McMillan.

This evening showcased the talent of our youth...plus a team not so close to their youth.  
 The teams competed in four rounds where they were given a topic and had to act it out with no scripts - improvising! There were three judges and an audience of 70 or more. It was an extremely entertaining evening, where the audience interacted with the teams on stage.  
 It was fantastic where everyone, no matter what your age, thoroughly enjoyed themselves.

Singleton should be proud of the young talent we have and should encourage the youth at every opportunity.  
 Elliot, it was one of the most enjoyable, relaxing and funniest nights that I have had out in a long while.  
 Well done Elliot.  
 I know I will remember it for quite sometime. Thank you for showing Singleton that our youth can make things happen when given the opportunity and support.
