

Accelerating Personal Leadership in Young Adults.....

What is Max Potential?

The Max Potential project offers 22 weeks of personal leadership development, including coaching, to young leaders from schools, and the community, to help them maximise their potential during the final years at school, and beyond. It also encourages our young adults to focus on the local community and ways that they can work to improve it.

Max Potential draws on leaders within the community, business, industry, schools and churches, as coaches, equipping them with progressive coaching skills and tools that enable them to form a partnership with young adult leaders, whereby they can pass on their experience and leadership competencies.

There are 10 personal leadership principles (MAXIMISERS) that we explore in the Program:

1. **M**ake Things Happen
2. **A**chieve Personal Significance
3. **X**-Out the Negatives
4. Internalise Right Principles
5. **M**arch to a Mission
6. Integrate All of Life
7. **S**et Your Focus on Caring for People
8. Energise Your Inner Life
9. **R**ealign Rigorously
10. **S**tay the Course

Max Potential: connects community leaders with emerging young leaders to:

ACCELERATE their potential to achieve over 22 weeks using MAXIMISERS™, a personal leadership framework.

CHALLENGE them to lift their game through 8 hours of personalised coaching.

BUILD their 'can do' attitude through a community project.

EXPLORE their entrepreneurial spirit through developing their leadership.

How much does it cost?

Young adults are funded by Dapto Leagues Club, through a limited number of scholarships, as well as local business contributions.

What do I get out of it as a young adult?

As a 16 - 25 year old participant you will benefit from developing:

- An action plan that focuses you on personal leadership;
- A success pattern that can be repeated throughout life;
- Increased self awareness that helps unlock your potential.

You will also benefit by:

- Learning how to engage with the Media;
- Connecting with, and being coached by, a leader in the community over 22 weeks;
- Enhancing your confidence and personal leadership competencies;
- An opportunity to invest back into the community, and other peoples lives, through a Community Service Project;
- Meeting and networking with other Young Adults;
- Having *fun* whilst growing your life.

What's the Time Commitment?

Max Potential involves only a minimum of 28 hours over 22 weeks, and will also complement current school, employment or community commitments. This 28 hour commitment is broken down as follows:

- Introductory Workshop (3 hours) – Introduction to the Program and to the concept of personal leadership. Also meet your Coach!
- Being Coached one-on-one with your Community Coach, to build MAXIMISERS© principles into your lives, and provide support for your Community Service Project (eight 1-hour coaching sessions over 22 weeks);
- Two Connect Groups (two sessions of 3.5 hours within the 22 weeks of the program);
- Community Service Project – this is your project that you will develop and implement, and that addresses a specific need in the community. At the end of the Program you will then display your achievements at the final Showcase Event;
- Showcase Community Event, which will celebrate all you have achieved and the leadership outcomes and learning (5-hours);
- Max Potential Creative Expression – Creating something creative to show what you are learning in Max Potential.
