MAX POTENTIAL

"DOOLEYS Lidcombe Catholic Club in association with Clubs NSW and Future Achievement Australia are proud to be part of the Community Youth Leadership Program Max Potential," says DOOLEYS Human Resources Manager Morgan Stewart.

Max Potential provides an excellent opportunity for DOOLEYS to connect with Trinity Catholic College students and the local community.

Max Potential is not a course – it's about personal leadership coaching.

The program provides the framework and opportunity for the students of Trinity Catholic College and the Senior Managers of DOOLEYS to help make a difference to both the life of a young leader as well as the local community.

Max Potential trains the volunteers from DOOLEYS as personal leadership coaches to the students; training that will provide the students with a success pattern on leadership principles to integrate into their lives and businesses.

"The program is a chance for all of us to learn a new set of skills that we can use to our advantage through adding value to us personally and our business through connecting with the community and Trinity Catholic College," says HR Manager Morgan Stewart.

This is about building lives, leadership and the future.
